LITTLE BIRDS: CAREGIVER & CHILD CLASSES
Unique and meaningful nature experiences for infants, toddlers, and their daytime caregivers

ABOUT LITTLE BIRDS:
Infants and toddlers explore nature with their favorite adult during a 12-week semester of outdoor learning. Early childhood educators facilitate nature-based activities as the seasons change before our eyes. Live animal encounters, nature walks, songs, stories, and art projects are all part of the fun!

This program includes both indoor and outdoor experiences and is a perfect introduction to our approach to learning in The Nature Preschool.

Ages: birth – 3 years with an adult
Time: 10:00 -11:30 a.m.
