

The Nature Preschool at Irvine Nature Center believes that all children have a right to learn and play through first-hand experiences in the natural world. Friends of The Nature Preschool agree and have donated generously to create the Woodpecker TAP (or Tuition Assistance Program) to offset the cost of tuition and Before and AfterCare for Baltimore families. This assistance is up to 40% of full tuition after the security deposit.

This form must be submitted/signed by each parent/caregiver with financial responsibility for this child. All information contained in this application will be kept confidential. Information will only be used by Irvine Nature Center to determine eligibility and the most equitable way to best meet our community's needs. Thank you for completing it entirely. For further instructions, please see the end of the application.
