

The background of the poster is a dark blue night sky with a large, bright yellow full moon in the upper left. Silhouettes of bare trees are scattered across the scene. In the foreground, there are dark silhouettes of hills and several pumpkins. The text is overlaid on this background.

PUMPKINS ON THE GREEN

OCT. 29, 2021

IRVINE NATURE CENTER

CORPORATE SPONSOR BENEFITS

Irvine Nature Center is pleased to host our 13th annual Pumpkins on the Green on Friday, October 29, 2021. We are excited to be back in person for this fun-filled “un-gala” featuring great live music, food, drinks and fabulous silent auction. And with this year’s event falling on Halloween weekend, you can expect some “spook-tacular” surprises as well!

We hope you will participate as a corporate sponsor for this typically sold-out soiree. Your support of this signature annual fundraiser for Irvine benefits the non-profit organization’s mission to connect children and families with nature on our 211-acre property and in the community. For 46 years, Irvine has been providing top-notch environmental education for children and adults through nature-based learning. At Irvine, we inspire people to explore, respect and protect nature.

Attached is a list of sponsorship levels and benefits. All levels offer great exposure for your company and a memorable experience for your guests. We look forward to seeing you at Pumpkins on the Green 2021 at Irvine.
