CORPORATE SPONSORSHIP OPPORTUNITIES

In a milestone year, Irvine has many fun and surprising elements to make this event our most exciting yet. With live music, spectacular food and spirits, and a fabulous silent auction, this year's event is one that you and your organization do not want to miss.

As the largest independent nature center in the region, Irvine Nature Center delivers hundreds of programs annually and is the home to over 50 animal ambassadors on our 211-acre property. For 48 years, Irvine has been a leader of environmental education for children and adults through nature-based learning.

At Irvine, we inspire people to explore, respect, and protect nature. We invite you to participate as a corporate sponsor for the 15th annual Pumpkins on the Green 2023 – Irvine's signature fundraising event.

Following is a list of sponsor levels and benefits. All levels provide great exposure for your company and a memorable experience for your guests. We look forward to seeing you at Pumpkins on the Green – the best fall party in the area!
