

— IRVINE NATURE CENTER —

PUMPKINS ON THE GREEN

— FRIDAY, OCTOBER 25, 2024 —

CORPORATE SPONSORSHIP OPPORTUNITIES

At Irvine, we inspire people to explore, respect, and protect nature. In our 49th year of delivering environmental education to the community, we are excited to present our signature fundraiser — PUMPKINS ON THE GREEN. With live music, spectacular food and spirits, and a silent auction, this event is considered the *best fall party* in the region – one that you and your organization will want to be a part of.

Your support of Irvine Nature Center's **Pumpkins on the Green** benefits our nonprofit's mission, enabling us to make nature more accessible to all – both on our property and in our community. As the largest independent nature center in the region, Irvine delivers hundreds of programs annually and is the home to over 50 animal ambassadors and the steward of over 211 acres.

The following is a list of sponsor levels and benefits. Every package provides great exposure for your company and a memorable experience for your guests.
