NATURE CENTER

Let Irvine Nature Center bring nature to *your site* this summer!

Irvine's traveling Summer Nature programs are designed for groups that cannot visit our Owings Mills property. This allows groups to experience the excitement of nature from the convenience of your own space—indoors or outdoors.

AVAILABLE MONDAY-FRIDAY, JUNE 24TH-AUGUST 16TH
60-MINUTE PRESENTATIONS FOR GROUPS OF ALL SIZES
PRICING: \$225-275/PRESENTATION DEPENDING ON GROUP SIZE

All About Animals Ages 2-9

An introduction to the different classes of animals, based on comparing visible characteristics and simple habitat requirements.

Survival of the Fittest Ages 6-11

A closer look at how various species are uniquely adapted to survive and thrive in their environments; both physical and behavioral adaptations will be explored

Hunters of the Sky Ages 8-12

An in-depth lesson about the apex predators of the bird world—hawks and owls: migration, digestion, food chains, and biomagnification. Plus, threats that birds of prey face today.
