# Let Irvine Nature Center bring nature to your site this summer!

Irvine's traveling Summer Nature programs are designed for groups that cannot visit our Owings Mills property. This allows groups to experience the excitement of nature from the convenience of your own space—indoors or outdoors.

**OFFERED MONDAY-FRIDAY, JUNE 15-AUGUST 28**  
**60-MINUTE PRESENTATIONS FOR GROUPS OF ALL SIZES**  
**PRICING: \$225-275/PRESENTATION DEPENDING ON GROUP SIZE**

## ***All About Animals*** Ages 2-9

Meet Irvine's Animal Ambassadors! Groups will learn about the different animal classes, by comparing visible characteristics and simple habitat requirements.

## ***Survival of the Fittest*** Ages 6-11

Experience an up-close look at how various species are uniquely adapted to survive and thrive in their environments; physical and behavioral adaptations will be explored.
